Sir,

Sub:- Post Matric Scholarships – New verification procedure through POS Machine from the year 2013-14 – Need to purchase POS Machines – Information – Reg.

Ref:- Memo.No. 2481/ SW. Edn.2/2013, Dated: 02-12-/2013,

I invite kind attention to the reference cited wherein Govt. have given instructions on the new procedures to be adopted for verification of Post-Matric Scholarships through POS devices at the college level and subsequent retrieval of the applications at the district officer level through barcode readers.

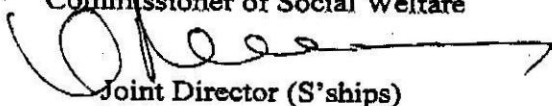

In view of the above, the Private college managements have to procure (Point of Sale) POS devices so as to implement the scheme of sanction of Post-Matric Scholarships for the year 2013-14.

It is therefore requested to kindly instruct the private college managements to procure POS devices at an early date so as to start the verification process immediately.

With regard to Govt. colleges, it is requested to make provision in the budget estimates 2014-15 to procure and provide POS devices to all Govt., and Aided colleges. However, in the current financial year the field officers of the Welfare Departments shall make use of the POS devices provided to them to complete the verification process in Govt. Colleges.

As you are aware, the Govt. have already released an amount of Rs. 2000 cr (approx) required towards renewals for the year 2013-14 and there is a lot of demand from the student community to immediately release the scholarship amount. Therefore, it is requested to kindly personally review this item and ensure that all college managements purchase POS devices.

Yours faithfully  
Sd/- G.Jaya Lakshmi,  
Commissioner of Social Welfare
