- The PRG to implement Kishori Vikasam for Out of School Adolescents in collaboration with Nodal NGO and SERP at Project Level.

### III. Eligibility criteria for the identification of PGTs

- The PGTs must be students identified from government/private degree colleges and PG colleges affiliated to a particular university and having passion for social work. Preference will be given to NSS volunteers, Phase-I and II Kishori Vikasam scheme PGTs.
- Minimum 50% PGTs should be female.
- Should not have any adverse record.
- Must have participated in some form of Social work.
- Shall possess good communication skills.

### IV. Mobilizing the required number of interested NSS volunteers and students from Degree and P.G colleges etc., to serve as peer group trainers in each project.

The CDPOs of each ICDS project is responsible for the collection of the list of degree and PG colleges (both government & Private) and high schools (both government and private) located in the project.

She has to co-ordinate with DEO, CEO, Zilla Parishad and registrar of the University for the Collection of list of colleges and high schools in her jurisdiction.

She has to ascertain information about the number of peer group trainer teams required based on the strength of 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> standards in high schools located in her project and also ensure that required number of PGTs could be

mobilized from each of the degree and PG colleges located in her purview. Ensure to have at least 50% female PGTs.

The APDO, EO and DCPU will act as liaison between the university management and high school management and guide the CDPOs in identification of PGTs, listing of colleges and high schools, mapping, mixing and matching of PGTs with schools and also monitor the work plans for PGT trainings as well as awareness programs in high schools.

#### **V. Assessment of the requirement of peer group trainers in the district:**

The requirement of teams of peer group trainers needs to be assessed based on the strength of 6<sup>th</sup> to 10<sup>th</sup> standards in each high school (both public and government) and Junior & Senior College Inter Students. The assessment of teams may be as follows :

<b>No. of students in targeted School /Jr.College / ITI / Polytechnic Colleges</b>	<b>Number of PGT teams required</b>
If below 150	1 team (5 resource persons)
151-300	2 teams
301-450	3 teams
451-600	4 teams
601-750 & above	5 teams

**Note:** In case if the school/Jr.College/ITI/Polytechnic strength is less than 50, it is recommended to gather the students from the nearby schools/colleges to one designated school/college and conduct the training by PGTs.

#### **VI. Training of Peer Group Trainers**

One day / Two day non- residential orientation training of Peer Group Trainers (based on the convenience) will be carried out at Project Level (3 or 4 Mandals based on geographical location) **in their respective colleges of PGTs.** Subject specific training will be given based on the interest of the peer group trainer. The

liaison officer should accompany her students for the project level orientation training.

- On Day 1, Orientation may be given to all the PGTs in a common hall with explanation about the program, their role and the tasks to be performed during the awareness programme for Adolescent boys and girls.

**NOTE:** Trainer's code of ethics will be informed by the project resource group to all the PGTs and explain about on how to establish and maintain standards of conduct for PGT trainers.

- Introduction to all the subject themes, in brief should be given. After the orientation, with the help of their liaison officer, the peer group trainers may be divided into 5 groups based on their interest in subject i.e., and training should be initiated by project resource group in detail for the particular subject theme.
- On Day 2 – The training to PGTs should be continued for the theme specific topics which are not covered in day -1 orientation.

## **VII. Role of College Management**

- The colleges should identify the students who are active, friendly, healthy, and positive and with good communication and leadership skills for this program as Peer Group Trainers, with the consent of the respective parents through a signed Consent Form.
- Parents' Meeting may be conducted at college level to acquaint the parents about Kishori Vikasam.
- The managements of institutions to provide venues for Orientation Training Program to PGTs and arrange logistics for transportation of PGTs, and Project Resource Group to conduct ToTs for PGTs.

### **NOTE :**

- The college management with high number of students i.e. greater than 100 students identified as PGTs may provide their college as venue for PGT training for feasibility of the students as well the project resource group.

- For colleges with less than 50 students identified as PGTs, it is recommended to gather PGTs from nearby colleges that come under the same ICDS project to attain a minimum strength of 150 and conduct training to all the gathered PGTs at a designated venue either in one batch or in batches based on the strength of the PGTs.
- Further, it is also suggested to utilize the PGTs of Phase 1 and Phase 2 of Kishori Vikasam scheme if there is shortage of PGTs.

**VII. Placement of Peer Group Trainers for conducting awareness programme for Adolescent boys and girls of 6<sup>th</sup> to 10<sup>th</sup> Class students in all Schools, Polytechnic Colleges, Junior Colleges and Industrial Training Institutes (ITIs)**

- The CDPO in co-ordination with DEO and PO SSA shall carry out the mapping of schools, matching and batching of PGTs.
- Necessary arrangements are to be made by the District Administration for (i) the transportation of the Peer Group trainers at the designated venues for conducting the 2 day training at high schools in collaboration with Managements of Colleges.

**NOTE:** It is the responsibility of the CDPO, Gram Panchayat, and school management to provide proper Lodging & Boarding facility (provision of mid-day meals) in case needed for the peer group trainers and the liaison officers.

- The venue for the awareness programme must be school/ an educational institution with 5 class rooms of 50 students capacity so as to facilitate the conduct of training on 5 topics as mentioned below in the table and also for the sub group activities, role plays , games etc.,

**NOTE:** In case if the strength of 6<sup>th</sup> to 10<sup>th</sup> standards in a high school is < 50 students, it is recommended to group students of nearby High schools at a specific venue (specifically a school/ educational institute) to have a minimum strength of 100 -200 and carryout the training by the PGTs.
