Sir/Madam,

Sub:- Energy, I & I Dept., - SECM - Conducting energy awareness program in Model schools in co-ordination with Bureau of Energy Efficiency (BEE)- Request for necessary co-operation & support-Reg.

Ref:- 1.Letter of BEE Dt.22<sup>nd</sup> Feb-18

\*\*\*\*\*

It is to inform that the APSECM, the nodal agency of the state with its main objective to promote energy conservation & energy efficiency in the state has decided to go for wide range of awareness on Energy conservation to the students in schools, ITI's, Polytechnic's and engineering institutions in co-ordination with BEE.

BEE vide reference 1<sup>st</sup> cited will provide financial assistance for creating awareness and disseminate significance and thrust on energy efficiency measures to be implemented among the students of different categories.

The broad activities planned as per the guidelines of BEE are as follows:

1. Development of Material on Energy Conservation for incorporation in ITI, Diploma Engineering College Curriculum.
2. Debates on Energy Efficiency & Conservation at ITI, Diploma Engineering College (Polytechnic) and Engineering College level & Quiz Program at school level.
3. Development of Tip Sheets / Brochures on Energy Conservation on efficient use of utilities for ITI and Diploma Engineering students.
4. Other awareness programs like print / electronic / outdoor / printing publicity etc. and exposure visits of students.

In this connection, it is requested to give necessary instructions to the concerned District education officers (DEO) to organize the awareness programs and establish energy clubs in schools and nominate nodal officer for each district on behalf of school education dept to co-ordinate with the Nodal officer of SECM for successful dissemination of Energy conservation to the students in all the model schools of the state.

On behalf of SECM, Praveena (Mobile:9581022244, Mail: [ceo.secm@gmail.com](mailto:ceo.secm@gmail.com)) would be the nodal officer from SECM for necessary co-ordination with DEO's. All the expenditure w.r.t conduction of awareness programs & establishing energy clubs will be borne from SECM funds.

It is also requested to establish energy conservation clubs in schools and strengthening of the energy clubs in coordination with CEO/APSECM (9848858049, Mail. [Ceo.secm@gmail.com](mailto:Ceo.secm@gmail.com)).

In this regard it is requested to give an early consent and instructions to DEO's as it is planned to complete the above said programs by the end of May-18.

Yours faithfully,

*Praveena*
