

GOVERNMENT OF ANDHRA PRADESH

OFFICE OF THE
COMMISSIONER OF TECHNICAL EDUCATION
ANDHRA PRADESH :: HYDERABAD

CirMemo.No.T4/1511/2011

Dated: 26.11.2015

Sub: Technical Education- Industrial Training – Obtaining the Indemnity Bonds from the Parents-Insurance coverage to the students- Reg.
Ref: CTEs Circular memo No H1/6135/2012 Dt 11-05-2012

The Principals of all Polytechnics are aware that as per C-09 Curriculum, the V/VI Semester students have to attend to the Industrial training in the selected Industries from November 2015 vide CTEs Memo under ref cited

During the industry-Institution interaction meets at various places the Industrialists have expressed concern on safety and **Insurance** to the students. The Insurance companies in specific Government of India Enterprises have come forward to **insure the candidate for a period of 1(one) year** when they go to the Industrial Training.

In this connection, the Director of Factories assured their support to the department in the safety aspects by sparing the services of Factories Department personnel in all the Districts if the Principals approach Inspector of Factories Department in the Districts concern for imparting safety precautions to their students.

Hence all the principals are directed to instruct their TPO/HOD/Sr. Lecturers/Lecturer, to utilize the same training placements for placing the students for industrial training in V/VI semester in their final year course of study.

In this connection the Principals of all the Govt., Aided, Private (un-aided) Private Polytechnics and 2nd shift Polytechnics in Private Engineering Colleges are therefore requested to approach the Nationalized Insurance companies and see that **every student must be insured for a period of 1(one) year** and obtain the **Indemnity Bond from the parents** duly signed by parents, student and the principal before they go to the Industrial Training from November 2015.

In view of the above, all the Principals are requested to take necessary steps to get **every student insured** and obtain the **Indemnity Bond** before they leave for Industrial Training.
