D.O.No. SCH-11/6/2022-O/o JD(SNP)/Pt

9th February 2023.

Dear Prof. T. G. Sitharam ji,

An educated and skilled workforce is essential for India to benefit from the 21st century knowledge economy. As you may be aware, the Ministry of Skill Development and Entrepreneurship (MSDE) has been implementing Pradhan Mantri Kaushal Vikas Yojana (PMKVY) for providing Short Term Skilling since 2015 for creating an industry ready workforce and enhance the employability of our youth. To make this Government funded skill program more relevant to the evolving economic landscape, several new aspects are being embedded under PMKVY 4.0 including On-the-job training (OJT), inclusion of new age courses for IR 4.0, and expansion of the delivery network for skilling. This has also been stated in the Union Budget 2023-24.

2. As part of the expansion of delivery network and offer skilling programs beyond the traditional skilling institutions, MSDE in consultation with the Department of Higher Education, Department of School Education, UGC and AICTE has decided to assign 'Skill Hubs' at identified Institutes of National Reputa, Schools, Colleges, Universities, Technical Institutions, etc.

3. As a beginning of our shared task of skilling/re-skilling/up-skilling the youth, I would request you to initiate skill offerings for at least 240 candidates per institution. To operationalize the scheme processes and manage it digitally on the Skill India Portal, you are requested to kindly arrange to send your willingness and course/ job-role wise demand on <https://pmkvyofficial.clappia.com/app/PMK889301>.

4. We strongly believe that the quality and aspiration value of skilling shall be greatly enhanced with the participation of AICTE colleges/institutions. The expertise and infrastructure in these institutions can also be utilized optimally for overall benefit of the nation. We also encourage you to enhance the scope and scale of such skilling programs in these institutions over time and make it a grand success.

5. We are starting handholding initiatives through capacity building workshops in parallel for the benefit of all participants. A schedule of such workshops shall be shared with you shortly. Some key highlights in terms of scheme contours, course offerings,

etc. is *enclosed* with this letter for your ready reference. My colleagues, Shri Abhishek Meena, Deputy Director, MSDE (91-9718755881, abhishek.meena88@gov.in) and Shri Mahendra Payal, Senior Head- Government Programs, NSDC (9868815278, mahendra.payaal@nsdcindia.org) will provide handholding support. I may also be reached out for any support, if required.

With regards,

Yours sincerely,

Brief Note on PMKVY 4.0

(With reference to implementation in Skill Hubs)

Pradhan Mantri Kaushal Vikas Yojana 4.0 (PMKVY 4.0) will be implemented between FY 2022-26 with a strong emphasis on making the programme candidate-centric by creating an enabling ecosystem to meet the emerging sectoral needs. More information on PMKVY can be assessed at www.pmkvyofficial.org with guidelines of previous versions of PMKVY. The Guidelines for PMKVY 4.0 will also be placed shortly on this website.

1. Objective of the Scheme:

- a. Promote an enabling ecosystem for the youth to get skilled and choose a career path aligned with their abilities and aspirations.
- b. Enable the delivery of skill training in a market-oriented and demand-driven manner by making the existing skilling ecosystem more flexible, swift, and geared to meet the emerging demand.
- c. Process overhauling of the skill ecosystem by leveraging technology, innovative financing, and digitalization.

2. Implementation through Skill Hubs:

Skill Hubs can be setup in State and Central Government Schools, Higher Educations Institutes (HEIs), Colleges, and Universities (including Skill Universities) with requisite infrastructure for providing Short Term Trainings under PMKVY 4.0. The information on Skill Hub is available on www.pmkvyofficial.org.

3. Selection of Job Role for Training:

- a. Under PMKVY 4.0, it is proposed to offer various demand-driven and industry linked skilling courses including new age courses like Drone, 3D Printing, Robotics, AI, etc. An indicative list of Job Roles that can be offered under the scheme is at <https://tinyurl.com/8buyce4j> for reference.
- b. Details of the respective Job Role including the infrastructure requirement, trainer qualification, candidate eligibility, etc is mentioned in the respective Qualification Pack of the Job Role which can be accessed at www.nqr.gov.in.

4. Pre-Requisites for Training:

a. Infrastructure:

- i. Availability of adequate classroom for theory classes and laboratory depending on the Job Role to be opted. (For e.g., Computer Lab in case of Data Entry Operator). More details are available training partner and centre section of www.skillindia.gov.in.
- ii. Functional Aadhaar Enabled Biometric Attendance System (AEBAS) registered on the NIC platform.

- b. **Trainer:** Teacher/Trainer available in the own institution with domain experience or certified trainer (list available on Skill India Portal) can also be engaged.

5. Selection of Candidates:

- a. The scheme targets school/college dropouts, out-of-education, and unemployed youths in the age group of 15-45 years.
- b. Eligibility criteria for selection of candidates is defined in the respective course curriculum of Job Role to be offered.

Students currently studying in the institution where Skill Hub is being established, as well as school/college dropouts are permitted to train.

6. Implementation Modalities:

- a. National Skill Development Corporation (NSDC) is the implementing arm of the Ministry and shall provide all required handholding support and technical assistance in implementation of PMKV 4.0 in Skill Hubs.
- b. The entire training life cycle from enrolment to certification and tracking will be done through Skill India Portal/Digital for which necessary orientation and handholding support will be provided by NSDC (www.skillindia.gov.in).
- c. On-the-Job Training (OJT) has been mandated under the scheme in applicable Job Roles. It shall be the responsibility of the institutions to arrange for OJT in nearby industry or establishments.
- d. Assessment and certification would be done through the third-party agencies namely, Sector Skill Councils (SSCs) or any other National Council for Vocational Education and Training (NCVET) approved awarding body. The State Education Board/Technical Education Board can also become an awarding body under NCVET.
- e. Registration of the Skill Hub (institution) on Skill India Portal/Digital with requisite details of available classroom, labs, trainers, etc.
- f. Mandatory daily AEBAS attendance of Candidate, Trainer, and Assessor.

7. Financial Provisions

- a. The training cost would be Rs. 6,923 per candidate which includes base training cost (trainer salary, teaching aid, raw material, infrastructure cost), assessment & certification, insurance for candidates, and AEBAS transaction fees. However, for higher level skill in Industry 4/ Future Skills etc., in NSQF level 5 and above, the payment will be as per prescribed norms.
- b. The training cost will be paid by NSDC in tranches as per the PMKVY 4.0 guidelines.
