ANDHRA PRADESH:: MANGALAGIRI

Cir. Memo. No.T4/1511/2022/Industrial Training

Dt: 21/10/2022

Sub: Technical Education- Industrial Training for students of 5th semester and 6th semester of polytechnic diploma students - Certain deviations and issues observed - Clarifications issued - Regarding

Ref: 1. This office Cir.Memo.No.:T4/1511/2011/Industrial Training/2017, dt:06-07-2022  
2. This office Cir.Memo.No.:T4/1511/2011 dt: 19-04-2018.

\*\*\*\*\*

With reference to 1<sup>st</sup> cited above, instructions were already issued regarding CISCO training for CME and ECE branches as Industrial Training. In that it is clearly mentioned to dispense CISCO training for these branch students and to make Industry connect with the large Software/Hardware Companies. However certain Polytechnic colleges have not dispensed CISCO Training and even for second spell training also action plan proposals from Certain colleges included CISCO Training as six months Industrial Training. The deviation of instructions will not be allowed and CISCO Training as Industrial Training shall be dispensed and second spell action plan should reflect the same.

It is further informed that, in the reference to the 2<sup>nd</sup> cited above, already permission accorded regarding Industrial Training placement of students outside Andhra Pradesh State. The Polytechnics are solely responsible for their students attending Industrial Training outside the State and the Principals are instructed to obtain indemnity bond from parents and students. In addition to this, the hostel facility for students as well as providing stipend for students during Industrial Training shall also be addressed.

The receipt of this memo shall be acknowledged.

**Sub: Technical Education – Academic - Industrial Training for students of  
V/VI Semester of Polytechnic Diploma- Placement of students  
outside the state of Andhra Pradesh – Permission Accorded – Reg.**

\*\*\*

It has been observed that some of the Principals of Polytechnics are unable to place their students for Industrial Training due to lack of potential industries near to their places in Andhra Pradesh and they are seeking permission of the Special Commissioner of Technical Education to place their students in the nearby industries in other states.

In view of the above the Special Commissioner of Technical Education is pleased to permit the Principals of Government/ Aided/ Private Polytechnics to place their students for Industrial Training in the industries in the neighboring Districts or outside the state of Andhra Pradesh in the vicinity of their District when there are no nearby potential industries where the students can be properly trained. The Polytechnics are solely responsible for their students attending Industrial Training and the Principals are instructed that indemnity bond from parents and student are taken specifically mentioning these facts.
