Memo.No.:T&P/ Placements /2021-22

Date:22.07.2022

Sub: Technical Education – Training and Placement –Job Placements for Diploma Students – Cluster model – Certain Instructions issued – Reg.

Ref: 1. This office Memo.No.: T&P/ Placements /2021-22,Date:03.06.2022.  
2. Instructions of Commissioner of Technical Education during review meeting on 18-07-2022.

---<>---

It is observed that the number of students getting job placements after completion of Diploma is very few in Polytechnics. There are several placement opportunities for Diploma students in Industries and Industries are in constant pursuit of recruiting skilled technicians. A few Polytechnics are regularly conducting Placement drives by inviting Industries / Recruiting Agencies.

The need for equipping Employability Skills for Polytechnic students is recognised. Employability skills are incorporated as a part of the Curriculum in the subjects English-1, Communication Skills, Life skills and Industrial Management and Entrepreneurship. Training for the staff concerned in these subjects is in progress.

Industry Connect which is made mandatory for all the Polytechnics as per minutes cited in reference, if implemented with spirit can foster the activity of students' placements.

In this context, Placement Cells are already constituted in each Polytechnic vide Memo 1st cited with Principal as Chairperson, TPO as Convener and Heads of sections as members with clear instructions to plan and conduct placement drives and to submit the report in the following proforma by April for that academic year.

Name of Polytechnic:

Code:

Sl No	Date of Placement	Branch	Name of the industry	Location of the Industry	Name of the Contact person / HR	Moblle.No	Email.I D	Number of Students Attended	Number of Students Recruited	Remarks

In continuation of the above instructions, the commissioner of Technical Education has issued further directions to adopt the Cluster model in Campus placements, identifying Coordinating Government Polytechnics and adjacent Government Polytechnics as a cluster. The Polytechnics identified in the cluster work in coordination in organizing campus drives for students. The identified clusters in the state are given in Annexure.

The T.P.Os of the group shall be in regular contact among themselves and share the data regarding potential industries recruiting students and plan the campus drives at the beginning of 6th semester for all the branches. HODs and TPOs shall work together in planning and organizing the activities.

Campus placements may be organized at the Coordinating Polytechnic to benefit all the students of Polytechnics in the group or at individual Polytechnic if the placement is limited to any specialized branch of that Polytechnic as per the following schedule:

Preparation work:	:December or Last month of V semester.
Campus Placements:	: January or Beginning of VI semester.
Submission of reports to O/o CTE:	: By end of April.

Regional Joint Directors shall guide and monitor the Placement activities as per the prescribed schedule in each cluster under their purview and submit a consolidated report to this office by the end of April.
