Sir,

Sub: APEWIDC - Corporate office - providing Industrial Training facility for 3rd year Civil Engineering Diploma students of Polytechnics in APEWIDC - for hands-on experience - Acceptance - submitted - Regarding.

Ref: D. O Lr. Rc. No: T&P/Industrial connect/2022, dt: 16.06.2022 of Commissioner, Technical Education, AP.

**** *

I submit to invite kind attention to the above subject.

The proposals in the reference cited of the Commissioner of Technical Education for providing hands-on experience for the Institution and Industrial connect are accepted.

Following details are submitted:

1. List of students with Name, and address, Name of the polytechnic college studying - Mobile number etc. are required.
2. APEWIDC is an organization that can impart skills in the execution of Civil/Infrastructure works at the field level and procedure of estimate preparation to process of tenders/contracts/procurement in e-procurement platforms, drafting / file disposal in the office. So the Diploma students of Civil Engineering Department only can be trained.
3. Once the students are allotted by the Commissioner, Technical Education they will be sent to nearest division for imparting learning skills. APEWIDC has got no special budget to pay any stipend to the students under training.

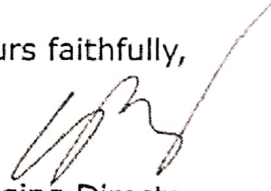

(P.T.O)

4. A certificate on successful completion of the 6 months training will be given.
5. If it is required an assessment report of the skills learnt by the individual will be awarded.
6. We have 13 divisions in erstwhile districts of Andhra Pradesh, (26 newly formed districts) so we can train about $26 \times 8 = 208$ students per 6 months, i.e. for each batch with 2 batches in an Year.

In view of the above it is requested to the Commissioner, Technical Education to inform concerned Principals of Polytechnics to approach concerned Executive Engineers of respective districts to impart training to the students.
