Circ Memo No: SDC/Journal/ 2016/1

Date: 29.12.2016

Sub: Technical Education – Journal – Guidelines – Issued – Reg.

Publishing a journal that reports on the updates in the field of Science, Engineering & Technology will be a milestone in the Department of Technical Education, AP.

The activity of gathering, assessing, creating, and presenting news and information will be very useful to many both students and staff included. First all must understand that processing or transmitting information will not be any particular technology. Indeed, new technologies emerge continuously, and this journal seeks to provide a useful forum for discussion about emerging technologies and their social and organizational relevance and consequences. Interest is also not restricted to any specific theoretical or disciplinary position. The journal invites a broad spectrum of contemporary and historical scholarship, including theoretical, empirical, analytical and interpretive studies on Science, Engineering & Technology and inter disciplinary areas.

In this regard, all the Principals, Members of staff and students, are hereby informed that the department has proposed to bring out a Journal of Technical Education. The Principals are requested to give wide publicity among the members of staff and students of their Institutions and also constitute a 'Journal Committee' to collect articles on technical subjects / updates in different fields of Engineering / Technology from students and staff. The Committee should be entrusted with scrutinizing, proof reading, editing of articles before submitting to the Editorial Board. The Sources of pictures, content, diagrams should be listed without ambiguity. The soft copy of the articles after scrutiny should be sent to the Editorial Board's mail which will be communicated in due course.

It is further informed that the soft copy of various articles received from the institutions will be sent for scrutiny to the subject experts on the Advisory Board for preparing the articles fit for publication. Also enclosed to this Circular are the forms titled 'Guidelines for Authors', 'Guidelines to Reviewers' and ' Copyright form to be signed by author/s' which may be given to those who submit the articles so that a self- check can be made before submission.
