Sub: TECHNICAL EDUCATION-Maintaining cleanliness of toilets, urinals, wash basins and other associated items of toilet complexes in Govt Polytechnics- Certain instructions-Issued- Reg.

Ref: As per instruction of the Director of Technical Education, AP, Mangalagiri.

\*\*\*\*

The Principals of Govt. Polytechnics in A.P are instructed to maintain cleanliness in the toilets, urinals, wash basins and other associated items of toilet complexes in Govt. Polytechnics including hostels and keep them in hygienic condition to promote the students health & self-esteem and thereby improving learning outcome. Further sufficient number of toilets is to be provided separately for boy & girl students and separate toilets for male and female staff members of the institutions. We are aware that foul smell emanates from toilets cause inconvenience & health problems to the inmates of the hostels. It is well known fact and several national and international surveys have pointed out that many girl students drop out or avoid attending school / colleges/institutions due to non-availability of toilets.

Further the Principals are instructed to make necessary arrangements for continuous running water in the above toilet complexes. The Principals are instructed to utilise the services of Sanitary Workers available in the institution or engage on part time basis duly meeting honorarium (for part time workers) from Non-Govt of the institution towards maintenance of toilet complexes.

Further, if the toilet blocks require any repair works, the Principals of Govt Polytechnics are instructed to undertake the repair works immediately without sending the proposals to this office and meet the expenditure from the available Non-Govt funds of the institutions. If non-Govt funds are not available for any Govt Polytechnic, then submit proposals to this office for taking further course of action.

Further, if additional new toilet blocks are essential for the students and staff **(Male and Female separately)**, the Principals of Government Polytechnics are instructed to submit the proposals in the following proforma (signed and soft copy) on or before 10.11.2022 to mail ID: [ddt.dteap@gmail.com](mailto:ddt.dteap@gmail.com) to take further action on the matter.

Sl.No	Name of the Polytechnic	Number of new toilet blocks required	Approximate cost of the toilet blocks (in Rs.)
