The Secretaries Dealing with Technical Education of Concerned State Governments/UTs

- Subject:
- Stepping up pace of Implementation of Centrally Sponsored Scheme of Setting up of New Polytechnics.
 - Submission of Audit Report and completion certificate under Centrally Sponsored Scheme – Construction of Women’s Hostel.

Sir,

This Ministry is implementing a Scheme for Construction of Women’s Hostel in the existing Government/Government aided Polytechnics. Under the Scheme, one time financial assistance of Rs. 1 crore per Polytechnic is provided for a 50 bedded hostel @ Rs. 2 lakh per boarder. Any excess expenditure beyond Rs. 1.00 crore for construction of Women’s Hostel is to be met by the concerned State Government.

Handwritten: TE 17/11

2. It may be seen that this Ministry has released final instalment in respect of 167 polytechnics so far out of 500 polytechnics. As the scheme has been launched during 2008-09 the Status Report of the Scheme of Construction of Women’s Hostel has not been changed much. I request your personal intervention in this matter to speed up the implementation of this project and request you to kindly direct the Principals/DTEs of the selected Polytechnics, to finalize and furnish the following information at the earliest to this Ministry.

- As per para 3 (h) of the sanction letters issued earlier for release of final instalment, the respective State Governments have to furnish the CAG Audit report and completion certificates in respect of the polytechnics for whom the final instalment has already been released.
- For remaining polytechnics the respective State Governments has to furnish the consolidated UCs, Statement of Accounts, audit report, Physical Progress Report and Photographs duly authenticated by the competent authority in the State Governments and also give the Certificate to the effect that 50 bedded Women’s Hostel is complete in all respect and as per the provisions of the Scheme.

3. You may also appreciate that the progress of the Scheme, which has been in operation for the last 8 years has been slow and as a result the bulk of the fund

allocation for the Scheme is lying unutilized. It is requested kindly put in place a process for effectively monitoring the Scheme's implementation at Polytechnics in your State and stepping up pace of utilization of funds for construction of Hostel Building at the Polytechnics.

4. You are also requested for kind intervention and active guidance to ensure that this initiative under the Skill Development Mission to provide a Women's Hostel in Polytechnics is successful. Towards this end you may provide the list of fully complete/already occupied Women's Hostels.

5. It is further requested your kind intervention to facilitate completion of Construction of Women's Hostel in maximum number of Polytechnics in the current financial year and inform this Department as and when Hostel Buildings are completed/occupied.

Yours faithfully
