Subject: AICTE special drive for Modernization of Laboratories in Government & Government Aided institutions / Government University Departments located in Rural, Aspirational districts, NER State and J & K (Including Ladakh) under MODROB scheme reg.

Madam/Sir,

All India Council for Technical Education (AICTE) has initiated MODROBS scheme, one of the AICTE Quality Improvement Schemes (AQIS), intends to support development of laboratories with appropriate equipment/ technology/ tools/ software and encourages financial contribution from industry. This is to ensure that the practical work and project work to be carried out by students is contemporary and suits the needs of the industry.

The AICTE has invited applications under MODROB Scheme this time as a **Special Drive** aimed at setting up of AI Integrated Laboratory in **Government & Government Aided institutions / Government University Departments located in rural areas, Aspirational Districts and States of JK (Including Ladakh), and NER regions**. This initiative is designed to uplift the infrastructure of technical education in underserved regions and foster innovation, practical learning, and employability among students.

In this regard, it is requested that all AICTE approved **Government & Government Aided institutions / Government University Departments** under your jurisdiction, located in **rural / aspirational districts/NER States/J&K (As applicable)** be instructed to **submit their applications** under MODROB scheme to get financial support under this scheme. It is pertinent to mention here that financial assistance under this special drive has been enhanced to 30 lakhs from 20 lakhs as in previous years and each institution is permitted to submit maximum 3 Proposals.

The scheme guidelines, eligibility criteria, and details regarding online application process are available on the **AICTE official website** [<https://www.aicte-india.org/schemes/institutionaldevelopment-schemes>], and the **last date for submission** is **31st July 2025**.

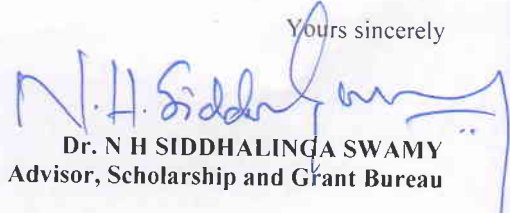

In view of the above, your kind support in disseminating this information and ensuring maximum participation from eligible institutions will significantly contribute to strengthening the quality of technical education in these priority regions from the different states of the Country.

For any queries (or) clarifications, institutions may reach out to 01129581340, 01129581315 and through mail.

Introduction and Objectives

- MODROBS scheme, one of the AICTE Quality Improvement Scheme (AQIS), intends to support development of laboratories with appropriate equipment/ technology/ tools/ software and encourages financial contribution from industry. This is to ensure that the practical work and project work to be carried out by students is contemporary and suits the needs of the industry.
- In order to promote problem-solving approach among the students and staff, the institutes are encouraged to procure the equipment's as per the revisions/modifications in the AICTE Model Curriculum.
- The scheme aims to modernize and remove obsolescence in the Laboratories / Workshop / Computing facilities (Libraries are excluded), so as to enhance the functional efficiency of AICTE approved Government (or) Government Aided Institutes / Government University Departments in rural areas and difficult areas such as Aspirational Districts, North-East Region States and J & K (including Ladakh) for Teaching, Training and Research purpose
- It also supports development of Lab Instructional Material and appropriate Technology to ensure that the practical work and project work to be carried out by students is contemporary and suited to the needs of the industry.
- The equipment financed under the scheme could be ideally used for upgradation of equipment in existing laboratories, enhancement of performance parameter specification of existing equipment, incorporation of latest development in the field of Engineering & Technology and replacement of old depreciated equipment by modern equipment. In addition to above major objectives, the equipment's installed through MODROBS Scheme can be used for indirect benefit to Faculty / Students through Continuing Education programs, Training programs for local industry and consultancy work in the rural areas and difficult areas such as Aspirational Districts, North-East Region States and Jammu & Kashmir (including Ladakh) in the country.

Eligibility

A. MODROBS- Government (or) Government Aided Institutes / Government University Departments from Aspirational Districts/ NER States / J&K (including Ladakh).

- i. AICTE approved Government (or) Government Aided Institute / Government University Departments with at least 10 years of existence will be given preference (5 years for aspirational districts Institutes/University Departments).
- ii. The Government (or) Government Aided Institute / Government University Department shall have more than 50% admission (from all the Programmes/Courses) in last 3 years.
- iii. Maximum 3 proposals per Government (or) Government Aided Institute / Government University during the duration of this edition of the Scheme (Not more than one proposal is accepted from the same Department/Branch /Course).

B. MODROBS- Government (or) Government Aided Institutes/ Government University Departments from Rural Areas.

- i. The Government (or) Government Aided Institutes / Government University Departments approved by AICTE with at least 10 years of existence will be given preference.
- ii. The Government (or) Government Aided Institute / Government University Departments shall have more than 50 % average admission (from all the Programmes/Courses) in last 3 years.
- iii. Maximum 3 proposals per Government (or) Government Aided Institute/ Government University during the duration of this edition of the Scheme (Not more than one proposal is accepted from the same Department/Branch /Course).
- iv. Government (or) Government Aided Institutions/ Government University Departments Not received any funds under MODROB Scheme of AICTE in last TEN years will be given preference.

Duration of the Project

Duration of project will be two years from the date of receipt of funds in the institute's account.

Limit of Funding from AICTE

Funding for sanctioned project will NOT exceed Rs.30 Lakhs (covering recurring and non-recurring expenditure) per proposal/project and 500 proposals/projects (Max.) will be sanctioned during this edition of the Scheme.

Disbursement of the Funds

80% of the sanctioned amount as advance to the Government (or) Government Aided Institutions / Government University Departments will be disbursed followed by 20% as reimbursement, on submission of the Utilization Certificate and other supporting documents as specified in terms and conditions of MODROBS.

Processing Methodology

- i. Online submission of application by the institution.
- ii. Applications received will be processed in a single lot.
- iii. Screening / Scrutiny of the applications at Council level.
- iv. The proposal shall be assessed by a three-member committee comprising of members not below the rank of Associate Professor /Scientist “E”. At least two members among them shall be domain experts.
- v. The final decision will be taken by the Council, keeping in view the recommendations made by the expert and the availability of funds for the scheme.
- vi. After the Council’s approval, the Sanction Letter for the proposal will be sent to the institution.
- vii. There will be review on Quarterly basis to oversee the effective implementation of the Scheme.

Institutes fail to show the Satisfactory Progress in the implementation within SIX months shall be asked to refund the Funds sanctioned under this Scheme.

Terms and Conditions

- i. In MODROBS scheme, the Head of the Department (HOD) submitting the proposal is ex-officio Project Coordinator and therefore, transfer of project to other institution is not allowed. In case, the Coordinator/HOD changes by rotation or leaves the Institution or retires, or goes on a long leave, his/her successor shall become the Coordinator of the project, and this change should be intimated to the Council immediately.
- ii. The HOD should critically analyse the requirements of the laboratory/ laboratories of the Department for preparation of the project proposal. As the proposal focuses on future development of the academic strength of the department it should be discussed with other faculty in the department and relevant industries.
- iii. The HOD shall be responsible for execution and completion of the sanctioned project, followed by submission of all related documents including the project report. Non-submission in timely manner shall be factored in while releasing funds for other projects.
- iv. Any expenditure incurred prior to the issuance of the approval letter is not allowed to be adjusted in the grant. The grant shall be utilized strictly for the purpose as specified in the sanction letter.
- v. It will be the responsibility of the institution to collect the funds from industry, committed for the project and informed AICTE, before seeking funds from AICTE.
- vi. GoI General Financial Rules (GFR) should be followed during Utilization of the grant. Re-appropriation of funds from one head to another is strictly not permitted viz. Recurring and Non-Recurring heads constitute 15% and 85% of the total grant, unless otherwise recommended by AICTE experts.
- vii. Once the project is sanctioned, the AICTE shall not consider any request for additional grants. Institute will invest funds for completion of the project in case there is a short fall of money and this should reflect in Utilization Certificate and Project Completion Report.

Terms and Conditions

- viii. Separate institutional overhead expenses shall not be provided by AICTE.
- ix. The assets acquired out of the grant shall be the property of the Institution and should always reflect in its Book of Accounts including the Assets Register. They should be certified by the concerned Principal Coordinator. No assets acquired out of the grant shall be disposed of without the prior permission of the Council (AICTE).
- x. There must be earnest efforts to complete the project within the duration so that institution becomes eligible early to seek grants for fresh projects under the scheme. If the delay is beyond approved project duration, AICTE may factor this delay in evaluation of proposals submitted in future.
- xi. If the beneficiary institute exhibits non-performance and non-compliance to the conditions of AQIS Scheme, AICTE may seek refund of unspent AICTE grant-in-aid and may debar institute from applying for grants in future.
- xii. Concerned officers of Institution Development Cell, AICTE (or) its authorized representatives (experts) may visit the institution for reviewing the progress of work. Any difficulties that might be encountered in the course of implementation must be promptly intimate to AICTE.
- xiii. The project may subject to review on regular basis during the implementation through a committee duly constituted by AICTE.
- vix. If the project is foreseen to remain incomplete within the project duration, the institute must seek approval from the Council at least two months before completion of the project. If approved, the project duration may be extended to upto a year. If not, the complete amount along with the interest earned on it should be returned to the Council.
- vx. The institutes procuring equipments under MODROBS scheme, should register in i-STEM (Indian Science Technology and Engineering Facilities Map) portal.

Important Notes

Note 1:

In alignment with AICTE's vision for 2025 as the Year of AI, preference will be given to proposals that integrate Artificial Intelligence (AI) into core engineering branches. Institutes are encouraged to align their proposals with the AICTE Model Curriculum for Engineering Courses, ensuring that the modernization of laboratories supports AI-driven learning, research, and industry applications. Proposals focusing on laboratories that facilitate AI-related coursework, interdisciplinary applications, and emerging technologies will be prioritized.

Note 2:

AI integration in laboratories may lead to higher recurring expenses, institutions should submit a detailed sustainability plan outlining how these expenses will be managed. Recurring costs may include:

- **Computing Infrastructure Maintenance:** Regular upgrades and servicing of high-performance GPUs, AI servers, and cloud computing resources.
- **Software Licenses and Subscriptions:** Costs associated with AI development tools, machine learning frameworks, and cloud-based AI services.
- **Faculty and Staff Training:** Continuous upskilling programs to keep faculty updated with evolving AI technologies.
- **Electricity and Cooling Requirements:** Increased energy consumption for AI servers and necessary cooling systems.
- **Data Management and Storage:** Costs related to securing, storing, and processing large AI datasets.
- **Institutes should demonstrate financial planning, resource optimization strategies, and potential industry collaborations to ensure the long-term viability of AI-integrated laboratories.**
