The International Women’s Day is celebrated every year on 8th of March not only to recognize the social, economic, cultural, and political achievements of women but also serves as a powerful call to action.

It is an undeniable reality that the world is currently facing numerous crises, including geopolitical conflicts, rising poverty levels, and the intensifying repercussions of climate change. It is evident that these challenges can be effectively addressed by solutions that empower women. By investing in women, we can ignite change and expedite the transition towards a healthier, safer, and more equitable world for all. Keeping this in mind, this year International Women’s Day is celebrated with a theme "Invest in Women: Accelerate Progress."

In light of this, the Principals of all Government and Private Polytechnics are hereby instructed to organize various events and activities to commemorate International Women's Day at their respective institutions this week.

The following events/activities may be considered:

- a) Film screenings/ showcasing the achievements of women in various fields
- b) Elocution and Essay Writing Competitions
- c) Networking sessions to connect students, faculty, and staff with women leaders and entrepreneurs
- d) Workshops on gender equality and women's empowerment
- e) Any other activities and events that may be relevant

Furthermore, all students and faculty are encouraged to participate in these events and to contemplate the significant contributions women make to our society and economy.
