In this connection, Principals of aforementioned Polytechnics are hereby informed that the Coordinating Polytechnics shall organize the Regional Poly Techfest 2024 at their respective Polytechnics in coordination with Government and Private Polytechnics/ Institutes within their region. The Principal of each Coordinating Polytechnic is designated as the Nodal Principal for that region for this purpose and shall bear the responsibility for ensuring the smooth, effective and efficient organization of the Regional Poly Techfest 2024 in their designated region.

In this connection, the responsibilities of the Regional Nodal Principals include, but are not limited to, the following:

- a. Communicating the scheduled dates and venue of the Regional Level Poly Techfest 2024 to the respective Regional Joint Director, with a copy of the same forwarded to this office.
- b. Prompting Polytechnics whose students have not yet submitted their projects for POLY TECHFEST 2024 to ensure timely completion of submissions.
- c. Facilitating the seamless coordination of Government and Private Polytechnics within the region to ensure comprehensive participation.
- d. Compiling and consolidating all project submissions from participating Polytechnics for comprehensive assessment and

- exhibition at the event.
- e. Reporting to the Regional Joint Directors (RJDs) about the anticipated number of projects to be displayed at the regional event.
 - f. Constituting a team of experts to review and provide constructive recommendations for the enhancement of projects presented at the regional level.
 - g. Finalizing the selection of projects to be advanced to the State Level event and communicating the same to RJDs and to this office.

Additionally, the Principals of Nodal Polytechnics are informed to oversee the collection of Tech Fest fees at the rate of ₹50 per student, with the total consolidated amount to be paid based on the student count at each Polytechnic/Institution, subjected to minimum of Rs 7500/- per Institution where student strength falls below 150.

Furthermore, the Regional Joint Directors for the AU and SVU Regions are hereby informed to gather information from all the Regional Nodal Principals regarding the dates and venues of the Regional Level Poly Techfest under their jurisdiction. They are also requested to compile and prepare a consolidated report outlining the tentative number of projects to be displayed at each Regional Nodal venue. This report is to be submitted to this office at the earliest convenience.
