Dear Sir/ Madam,

As per the directions from the Chief Minister's Office (find the letter attached below), I would like to inform you that the Govt of A.P. is organising Partnership Summit-2018 in Visakhapatnam during 24-26 February 2018. All the sessions of the Partnership Summit will be webcasted on all the days for viewing by students through A-View.

Accordingly, you are requested to make necessary arrangements for the Video Conferencing facility in the University and also instruct the affiliated Colleges under your jurisdiction to participate in the interaction session with Hon'ble Chief Minister through A-View.

Our Hon'ble Chief Minister will interact with students of all Universities, Colleges, Professional Colleges and all other Colleges through Video Conference/A-View on 25th February 2018 morning at 8.30 a.m. on 'Technologies for Tomorrow'. Other than that, all the sessions of the Partnership Summit will be webcasted on all the days for the benefit of the students. Hence, it is expected that your institution will make the necessary arrangement for all the three days.

Please furnish the data in the given Excel format

 User id Format .xlsx

After furnishing the data in the given Excel sheet please follow the below instructions to setup A-view in your college to start interaction.

Instructions to download and Installation of an e-learning platform A-VIEW.

Below are the instructions to download and install A-VIEW in your computers/laptops.

System requirements:

RAM - Minimum 2 GB

Processor - Minimum Intel Core i3

Internet connectivity - Minimum 1 Mbps upload and 1 Mbps download

Required audio and video equipment**Single Person:**

1. WebCamera
2. Headphone with Mic

Group:

1. HandyCam
2. Mic and Speakers

Other requirements:

If you are using the campus network connection, then port number – 80, 443 and RTMP protocol has to be opened

Do not use any video conferencing software when A-VIEW is running, this may have some video device sharing issue between A-VIEW and other software.

Download & Install A-VIEW:

Download and install A-VIEW In staller from <http://aview.in/> login with your **username: -----(will be sent to you) and password**

:Aview@123 under "Existing A-VIEW Users" section. Please enter the verification code and based on the OS used, A-VIEW can be downloaded for Windows or Mac.

After installing, double click the icon on your desktop to run it (In XP or Mac machines). In Vista / Windows 7 machines, you need to right click on the A-VIEW icon and click on "Run as Administrator" (Enter the admin username and password of your PC)

To login as a user:

- Select Server: National Server
- Type User **name: -----(will be sent to you) & Password :Aview@123**
- Login type: Normal
 - Click Login
- Click Join Now Button near Live Sessions.
- Click Start Video, check your headphone and web camera using the pretesting option, select video quality as 128 kbps and then save it and start.

For any queries Please get back to us on **9895526537** or write to us at venkatreddyj@amritaelearn ng.org CC to aview@amrita.edu.

You are requested to take immediate necessary action.

With regards,

Prof.V.Valli Kumari
Vice-Chairperson
