The Principals of the all Government/Aided/Private Polytechnics & Second-shift Polytechnics in existing Engineering colleges, where the vacancies are available for IVC pass-outs in 2<sup>nd</sup> year of Diploma courses, are permitted to fill up the vacancies with candidates who have passed Inter Vocational Course (IVC) along with bridge course (Mathematics, Physics & Chemistry), as applicable. For more details, the notification for Admissions of IVC Passed outs, placed under S.No 28, dated 23.05.2018 in the Department website may be referred.

The Admission Officers of the two regions have furnished the Admitted students list/vacancy report of respective Polytechnics, for the 1<sup>st</sup> phase of counseling, which is placed in the website: <http://dteap.nic.in>. The Principals are requested to thoroughly verify the vacancy position with reference to the records, get confirmation from the respective Admission Officers, if necessary, and conduct (Spot) admissions for all the vacancies (including cancellations, if any) after duly giving press-note in the local Newspapers.

The Admission Officers are:

*The Principal, Government Polytechnic, Visakhapatnam for A.U. Region and The Principal, S.V. Govt. Polytechnic, Tirupathi for S.V. University region.*

The Principals are informed to fill up the vacancies by the candidates, who have already submitted applications first, by deciding the merit of the candidates in the following priorities:

1. First with the candidates who passed the IVC in one attempt.
2. Second with compartmentally-passed candidates.

Later, if vacancies still exist, the candidates who applied afresh now will have to be considered for admission.

The Principals are informed that during the process of filling up of these vacancies, area-wise, and category-wise, reservation will be observed at all stages. The vacancies are to be filled by duly displaying on the notice board in Govt. Polytechnics/Aided/Private Polytechnics including 2<sup>nd</sup> shift Polytechnics in existing Engineering Colleges. In case, category candidates are not available, conversions, as per rules, are to be made at every stage, i.e., for all those who applied earlier and also among the candidates applied fresh throwing open the original category-wise vacancies at every stage. There are no category conversions in G.M.R. Polytechnics.

**NOTE:**

- a) The candidates who passed Intermediate Vocational course during the year 2000- 2002 and subsequent batches have to pass the bridge courses conducted by the Board of Intermediate Education to become
