

GOVERNMENT OF ANDHRA PRADESH

OFFICE OF THE
COMMISSIONER OF TECHNICAL EDUCATION
ANDHRA PRADESH :: VIJAYAWADA

Cir. Memo No. AGC/TECH FEST/2022/01

Dt. 02-08-2022

Sub: Technical Education – Academic Guidance Cell (AGC) – Academic Year 2022-23 - Conduct of POLY TECH FEST-2022 at District Level and State Level – Certain Instructions – Issued – Regarding.

Ref: (1) Review meeting by CTE on 08/07/2022 on academic calendar and academic issues.

(2) Academic calendar for the year 2022-23.

It is here by informed that to enhance skills and potentials beyond academics, students need to be exposed to various kinds of co-curricular activities. **POLY TECH-FEST** is the major Co-Curricular activity scheduled to be held every year in the month of October/November and it is the Annual Science and Technology festival for all Polytechnic students of Andhra Pradesh. The Department of Technical Education has initiated this event in the year 2017-18 with the aim of providing a platform for the Polytechnic student community to develop their scientific thinking and to showcase their innovative spirit. The POLY TECH FEST is an annual event that provides a platform to showcase the creative thinking and innovative ideas of Diploma level students and their exposure towards science and technological advancements. Accordingly, POLY TECH FEST conducted both District and State Levels during academic year 2018-19. But, due to the COVID-19 pandemic, during 2019-20, 2020-21 and 2021-22, the event was not conducted.

However, the academic calendar for this academic year i.e 2022-23 already communicated and the Co-Curricular activity POLY TECH FEST scheduled to be conducted in the month of November. The District Level is from 14th to 17th November 2022 and for State Level it is from 24th to 26th November 2022.

Any endeavour of the department can be successful only with the dynamic leadership and active involvement of all the Principals of both Government and private polytechnics. Hence all the Principals are here by informed to **publicise the conduct of above event well in advance among students and also motivate the students and staff under their control to make their innovative contributions** in this regard. The students under the guidance of staff members encouraged to showcase their ideas and working models in different branches of Science, Technology and Engineering and **gear up for the mega science and technology event**. The detailed procedure and guide lines to be followed for Conduct of District level and State Level Tech Fest will be intimated in due course.

The Regional Joint Directors of A.U. and S.V.U. Region are here by informed to monitor the preparedness of the concerned polytechnics for the event in their jurisdiction.
