

Government of Andhra Pradesh
Department of Technical Education

Office of the
Spl. Commissioner of Technical Education,
Govt. off Andhra Pradesh, Vijayawada

Cir.Memo No. T4/1511/2011

Date: 19-04-2018

**Sub: Technical Education – Academic - Industrial Training for students of
V/VI Semester of Polytechnic Diploma- Placement of students
outside the state of Andhra Pradesh – Permission Accorded – Reg.**

It has been observed that some of the Principals of Polytechnics are unable to place their students for Industrial Training due to lack of potential industries near to their places in Andhra Pradesh and they are seeking permission of the Special Commissioner of Technical Education to place their students in the nearby industries in other states.

In view of the above the Special Commissioner of Technical Education is pleased to permit the Principals of Government/ Aided/ Private Polytechnics to place their students for Industrial Training in the industries in the neighboring Districts or outside the state of Andhra Pradesh in the vicinity of their District when there are no nearby potential industries where the students can be properly trained. The Polytechnics are solely responsible for their students attending Industrial Training and the Principals are instructed that indemnity bond from parents and student are taken specifically mentioning these facts.
