Date:22-07-2016

Sub:-TECHNICAL EDUCATION- VANAM MANAM-Plantation of trees by
all the staff members and students in all Government
Polytechnics- Reg.

<<<>>>

The State of Andhra Pradesh has launched an esteemed programme viz VANAM MANAM for making Andhra Pradesh into lush green State. The mission of every individual is that, he/ she should plant a sapling in the college premises and nurture it as it grows into a full-fledged tree.

Based on this, the (02) Regional Joint Directors (TE) and all the Principals of Government, Private, Aided and Un-Aided Polytechnics are hereby requested to arrange for supply of saplings to the staff and students to be planted in and around the institution premises.

Further, the Principals are requested to motivate the staff and students to nurture these plants. They are further requested to send the compliance report and share photos of the activity so that a few may be posted in our website.
